

Peter Martin—"Tough Pete" finds Mr. Campbells' Math class an excellent place to catch up on lost sleep. He intends to take Architecture at the University of Manitoba. Good luck, Pete!

Shirley Taylor—Our poet, vivacious cheerleader and peppy "B" School leader. If you hear the boys whistle you know that Shirley's around. Says she might go to varsity —silly girl!

Lina Loewen—Curiosity, that's Lina. But that's the way we like her. How can anyone think up such questions? We wish her all the success possible in her career as a nurse.

Carole McGilvray—A cute little blonde who is always on the go. A valuable member of the Pauline Club. Her chief ambition is to join the Wesley hockey team.

Ron Northcott—Keeps the teachers in perpetual bewilderment and the class in an uproar. Seems interested in the Hermes this year. Ambition—after twelve years of school he is going to retire.

Bev Potter—Active in interform sports, N.N.S. and Pauline. Bev is always full of little wise cracks and jokes. Plans for the future seem to include nursing—best of luck!

Bill Purdy—"I disagree, Mr. Harvey!" Bill's political arguments may be confusing to most of us but he has made one statement for the press. "I definitely favor Exports to imports."

Grace Schnell—Active in the orchestra, drama club, room basketball team and our Pauline president. With all this she still takes time off to make the highest marks in 4B. Another undecided future.

Syl Sawa—4B's rugby and basketball star. Also notorious for those all out "slug fests" with Bill K. Syl's future is as yet undecided but he'll be successful at whatever he tries.

Gwen Simpson—"Oh spit!" If you hear that you know our little black-haired, blue-eyed Gwen is near. Gwen has a happy smile for everyone. Plans to go nursing.

Ken Van Velzer—A guy who knows all the answers? 4B's flying enthusiast. A full-fledged pilot who spends his spare time talking aeroplanes, dreaming aeroplanes and of course, flying aeroplanes.

Irene Sollosy—Has the terrible habit of always knowing her Physics. Ambition—to set fire to the school (little fiend, ain't she?) Intends to go to Normal next year.

Ann Wallace—4B couldn't do without Anns' sparkling smile and witty remarks. She takes part in most school activities. Plans to go to varsity next year to have a good time.

Violet Zadvorny—"Goldie Locks" is one of our distinguished violinists who is also outstanding in her academic work. Her future is undecided but she'll probably be another Kreisler.
