

**Mr. Hibbert:**

A nicer man you couldn't meet,
Than 4C's home room teacher.
In teaching chem., he can't be beat;
Hes' Nutana's special feature!!

Nancy Beck—

This little lass from Meacham hails,
When it comes to helping, she never fails.
Nursing is what she plans to do,
We know she'll pull her patients through.

Sylvia Wojcichowsky—

Sylvia, Sylvia, where is she?
Look in a hospital, for a nurse she'll be.
Those doctors and patients had better beware,
As one of them she's liable to snare.

Peter Brown—

Pete's the guy with the little car,
The friendly smile and the big "hello."
As a likeable lad, he's over par,
Good luck to him where he may go.

Eileen Bibbey—

In Pauline Chorus she has quite a voice,
As a cheerleading rep. she was everyone's choice.
In N.N.S. she's an active member.
A teacher she'll be at the first of September.

Arvid Cauldwell —

A tallish blondish boy is he,
A newer student in our 4C;
When asked just what he was to be,
He said, "My main aim's Geometry."

Dawna Corbett—

Dawna hails from Shaunavon High,
And came to us this year.
Though she left it with a sigh,
She adds to Nu'ana's cheer.

Dick Crawford—

Dick Crawford's a lad of our 4C,
He's bright and cheery, that's plain to see.
He's been successful as our lost and found rep.,
As an R.C.M.P. he'll really be hep!

Eileen Wright—

A little girl with a lot of pep,
Whose marks are always high,
She's never out of step,
With good old "N.C.I."

Maurice Gara—

Maurice Gara is this lad's name,
He's new in our class this year.
Whatever he does will surely bring fame,
Of this we have no fear.

Phyllis Gilders —

Green eyes, golden hair,
A nurse she's going to be.
Our Phil will truly add her share,
As she has with our 4C.

Norman Gardner—

Another boy who we're proud to tell
Has brought honors to our 4C,
In skiing and road races he's unexcelled,
As for the future, he plans geology.

Edith Haugham—

From Frenchmen's Butte she came last fall,
Her wit and charm made a hit with all.
She'll go to Normal for teaching courses;
Her two great loves are dancing and horses.

Tommy Go sen—

Its' off to work for Tommy,
A friend of all 4C.
But when he's had enough of work,
He's going to varsity.

Ron Harris—

A blue-eyed lad with a gleam in his eye,
Whose secret ambition is to make planes fly.
On day we heard this lad declare
"My main motto is 'Women Beware!'"
