

**Mr. Dewar**—Anyone who struggles through four years with 4D deserves a gold medal for patience. Three cheers and a tiger for Nutana's best class teacher.

**June Beeching**—A welcome newcomer to 4D, June hails from Tisdale. She is rather quiet but a friend to everyone. June plans to go to Normal next year.

**Don Bailey**—Our shy, modest Senior Watch has been a standout in athletics and studies in his four outstanding years at N.C.I. Whatever profession he chooses he is sure to be successful.

**Terry Flannigan**—Terry has contributed much to our school in sports and spirits. His only ambition is to marry a rich young widow for her money. He is a killer!

**Bob Haver**—Nutana's rotund centre on the rugby team and also one of Nutana's best curlers. Bob is well liked by everyone and is sure to make a success of whatever he does.

**Helen Homan**—4D's laughing brown-eyed blonde. She is active in many sports and activities including badminton, basketball and Social Editor of the Hermes. She is undecided about her future.

**Gayl Maughan**—Captain of our volley ball team and an all around good sport. Her main interest is art and she would like to make a career out of it.

**Peter Kanashewsky**—A newcomer who went to Bedford last year (poor boy), Pete's happy disposition is a great asset to 4D. Pete's plans for the future are not definite.

**John Kilburn**—John is one of the city's leading junior golfers. Well-liked by the girls as well as the boys, John should do all right for himself.

**Shirley Rhoden**—With her face, figure and brains, how could she be anything but successful.

**Britta Ross**—That fun-loving, dark-haired girl with a bright future, is planning to take a nursing course in Edmonton and then travel north.

**Art Leitz**—The most ignorant member of 4D (his own words). Nevertheless, he is well liked by us all. He plans to attend varsity in Vancouver.

**Gordon Lindsay**—Gord was another outstanding member of the basketball "Blues." His ambitions are to leave for the East to work. But whatever Gord does we wish him the best of luck.

**Tom McLellan**—Tom excels in the art of bowling and likes basketball. He plans to attend varsity and with his marks he should go far.
