

CYNTHIA WRIGHT

"Tince"—besides being a Sr. B'ball and V'ball star, Tince also takes part in track, golf, Rangers, swimming, and serves on the Awards Committee. Her ambition is to be a Social Worker, but she will probably end up as a guard for the Harlem Clowns.

BERYL ROBINSON

Beryl is an active member of both Hi-C and Hi-Y. Besides doing homework she does a lot of reading. Her main ambition is to become a nurse. She will probably become the mean matron of a maternity ward.

JOYCE COLEMAN

Joyce's school interests include Pauline '60-'61, and interform V'ball and B'ball. Outside of school she "goes steady" and has a job at the Post Office which will probably destine her to a future job as a professional stamp licker for General Motors!

GERALD SCHAEFFLER

Though he wouldn't tell us his outside interests, he does participate in interform sports. His ambition is undecided but he will probably end up as a Parking Meter Commissioner.

MARION BUJE

"Babu," as well as participating interform sports, is "B" school's representative on the N.N.S. Club. She represented "B" school as football queen candidate. Marion plans to enter nursing and in the future may be seen as the Nurse in Dr. Kildare.

PAT WARUK

"Blush"—being popular with all the kids, Pat made a good sup. at Thornton Park last year. Her life ambition is to go into some field of Phys. Ed. She participates in all sports such as: Sr. B'ball, '59, '61, Sr. V'ball, '60, '62, and track.

NICK MOSIENKO

Our "B" school leader, Nick also holds an office in DeMalay, is president of Hi-C and is on the Sr. football team. His ambition is Varsity. Probable destiny: One most likely to succeed—Comedian on the Bob Hope Show.

GORDON GARVIE

Being Nutana's star football player, Gord plays on the Sr. football and the Sr. basketball teams and takes part in track and field. Although he hasn't decided what he is going to do we're all sure he'll succeed in whatever he does.

LYONIEL SANDERS

Working hard for his scholarship, Lyoniell takes part in many activities including interform sports, Y.M.C.A., and having his name on the honor roll. After high school Lyoniell is planning to enter Varsity.

NORMAN RIDDELL

Nutana has indeed benefited with the addition of Norm to the student body. His excellent scholastic record (proficiency award grade 11) and his love of music will carry him far as a concert pianist.

NICHOLAS TRACY

"Neekola's" interests include the Navy Records Society and the Sea Cadets. His ambition is to read history at Oxford and/or Cambridge. His probable destiny—he will go down in history for reading the most history.

RAYNELL ANDREYCHUK

Raynell is one of the most active and academic girls in Nutana. She is Hermes Editor '61-'62, Ass't Ed., N.C. Social Ed., B'ball Mgr., and participates in Pauline, Hi-Y, Hi-C, sports, Alumni Ex. and Russian. She will surely make a success in a Law career.

RUTH ARNOLD

Ruth is friendly and full of fun. Her favorite pastime is talking, boys, talking, boys—Best of luck in any profession, Ruthie.

MARG THODE

Not being able to keep away from executive position, Marg is president of Hi-C and Hi-Y. She takes part in interform sports and was on the school girls' curling team, plus other activities. Because she has so many ambitions she has not yet decided a particular one.

BONNIE FRASER

A friendly smile and good looks are Bonnie's crowning glories. Best of luck in your chosen profession.

DIANE BEGGS

4B wouldn't be the same without Beggsie. Her jokes are known far and wide. Her ambition is nursing and she will probably wind up as an ass't to Dr. Kildare.

GRAHAM MITCHELL

Our efficient team manager takes part in interform sports, Y.M.C.A. activities, and Judo. Last year he directed 4B's Hamlet and this year was Nutana's boy rep. on Teens on TV. The students of 4B wish Graham every success in his future of teaching Judo at a Girl Guide camp.

GARY KORVEN

Gary came to Nutana from Luther College and has been an asset to 4B—Right, girls? He excels in basketball and will succeed in any career he chooses.
