

ROY METCALF

There's a student in famous IV. E,
 A wizard at working is he.
 In debate he's "right there,"
 And no effort he'll spare,
 He's a "jolly good sport," you'll agree.

ERIE BARKWELL

"So little done, so much to do,"
 And time is fleeting fast,
 Let's seize the opportunity
 And do our bit at last.

MARGARET CUMMING

Margaret is not only "coming," but
 she has come. "What we have we'll
 hold," Delisle.

MURRAY TWEEDLE

A soldier of fame and renown,
 And in baseball the talk of the town;
 In debating and Lit,
 He sure makes a hit,
 At the U. he will soon wear a gown.

ERNIE WHITMORE

Favorite song—"O by Jingo."
 Favorite saying—"Bolsheveekee."
 Favorite occupation -- Winning
 honors.

THELMA DINGMAN

Oh, isn't it "perfectly grand"
 To live in this beautiful land!
 For when she is here
 We need have no fear
 That our "Lit" we shall not under-
 stand.
