Basketball

Mr. C. A. Morgan was in charge of basketball. More boys and girls play basketball than any other sport. Every night of the week, from 4-6 and 7-9, is given over for this sport, and yet each student playing only gets one game a week, and sometimes not that.

The Juniors were divided into two leagues—light and heavy weight. 1C won the first and 1E the latter. In the Intermediate ten

teams were entered, two from each form. Some mighty hot games were fought in this league. In the heavy weight division 2B, after two stirring encounters with 2C, won out. While the light weight went to 2E. In the Senior frame E and D schools were finally top dogs.

In the Provincial, Regina won the championship by beating both Moose Jaw and Saskatoon. Our girls had a team in the City League, but were unsuccessful in winning from all their opponents.

won a crest by playing on the girls' hockey team. Dunbar Armstrong was Intermediate runner-up on Field Day. Ralph Ellis contributed to the honors won by A3D by winning the Boys' Singles Championship of Northern Saskatchewan. He also played on the school hockey team, and was secretary of the Literary Society. Robert Manly and Nester Cherniawsky played on the school baseball team and contributed not a little to the success of the school nine. Jack Cumming was a member of the school basketball team, represented the D School on the Central Athletic, captained the D and E School basketball team, and was manager of the D School hockey team. Five crests were won by members of our form.

Here's wishing A3D all the success that they deserve—and then some.

CLASS NOTES A3D

A3D has just completed a most successful year, both from an academic and athletic viewpoint.

To begin with, in Mr. Erwin we have the best class teacher in the school, whose boosting has placed us among the top-most forms. Silvia Boyt won laurels for our form by having the highest average in the school—95 per cent. She also proved her ability as a debater when the D School team, composed of herself and Robert Manly, defeated the C School representatives. We believe that she will bring the highest honor of our school by topping the province in the Departmental Examinations.

Minnie Hull represented the D School in the Debating Society. Jessie Wingate

2B—WHAT WE'VE DONE THIS YEAR

1. On Field Day—

Mel. Holmes, who scored the highest number of points of any individual in the junior class and Benny Guest, runner-up in the same class, and Bessie Greenway, a tie for runner-up in the Midget Girls', all helped to give 2B the highest number of points by any class that day.

2. In Cairns' Steeplechase—

In the annual steeplechase "B" School won the most number of points, and 2B

boys certainly gave a great deal of assistance.

3. Athletics during the year—

(1) In basketball 2B's intermediate team won the championship. The rugby team lost no games and missed the championship only because they tied two games. Our boys didn't do so well in hockey and baseball, but they say the only reason was that several of them played on senior teams.

(2) Owing to the new arrangement there were no class teams in girls basket-
