

## 4B

**BILL ANDERSON**—4 B's class president. Bill is an asset both to 4B and to the Dramatic Club.

**ED WHALEN**—A villain in the theatre but a hero in our hearts. Ed very deservedly received the boy's cup on Drama Night.

**CHARLOTTE HOULDING**—Secretary of Lit Council. Full of vim and vigor. Charlotte charms everyone.

**LES HULL**—Dark, curly hair; his eyelashes are the envy of many a girl. A member of rugby team.

**PAT McCONKEY**—Vice-pres. of N.N.S. with personality plus. Pat danced into our lives, if only we could keep her there.

**ARTHUR HOCK**—A welcome addition to 4B. It certainly didn't take Art long to catch on to our crazy ideas, and now he's in there pluggin' with the best of us.

**DOROTHY MITCHELL**—A dark-haired lass, she takes everything calmly and in her stride.

**CEC JORGENSEN**—Plays rugby and is one of the faster members of 4B—on the track of course!

**MARIE DEVEROU**—Art editor of Hermes who has plenty of original and unique ideas. A laughing girl with sparkling eyes. A kid that's certainly well worth knowing.

**BILL CHILDS**—Those dark eyes and that smile! Bill helped Nutana win in soccer and was an indispensable member of the softball team.

**LORNE BILLINGSLEY**—Those shoulders! A shy boy, the type the girls like to mother.

**BEA DONER**—Petite and blonde. Her tenacity will take her a long way. An enthusiastic member of N.N.S. and Hermes.

**PAUL FEDEYKO**—A newcomer who manages to find the marks in Nutana. We've looked three years; and we're still looking!

**RUSS GEORGE**—"B" school leader and pres. of Dramatic Club. He has helped give 4B its worthy name. Swell guy.

**BETTY EAGLES**—Vivacious Betty never has a dull moment and never lets anyone around her have one.

**LES SNELLING**—Advertising manager of Hermes. Les never hurries but gets there just the same.

**DON MACEACHERN**—Pres. of Lit. Council. Don's soulful eyes and winning personality make him a pleasing person.

**BOB STOW**—Photographer of the Hermes. Ambitious, resourceful, and efficient—(very cute looking, too!)
