

4C

FRED STRATEMEYER—Our big class pres. with the little voice and no homework done. A good sportsman, liked by all—in spite of his big feet.

DOREEN LESLIE—Her giggle is very familiar and often heard. Enjoys skating and, strange to say, homework! Hopes to become a pharmacist some day.

SPERO LEAKOS—4C's shining light academically and socially, for he is our honored Senior Watch, and outstanding athletically. He's a member of the soccer, senior hardball, senior basketball and track teams.

DOROTHY TURNBULL—One of 4C's beauties. Dot also manages to get A's. Dot es inteligente y bonita al mismo tempo! Cosa Rara!!

JOHN MAKAROFF—A newcomer from Hepburn High School. John is Mr. Patterson's right-hand man. Collects records. He enjoys hunting and shooting, and hopes to own a farm.

IRENE RUSSELL—A popular newcomer from Allen who adds much to our list of beauties. Likes to collect match covers, and hopes to become a stenographer.

TARAS KITZUL—He's in the army—he's out—he's in—smiling except when studying—always smiling.

FAYE JOHNSON—She has adapted herself very easily since her arrival from Turtleford. A tennis and curling enthusiast. Her swell personality will win her many more friends.

BOB BRIDGEMAN—Formerly an "E" school student, whose dimple attracts everyone. Favorite activity in and out of school is sleeping. Likes chem. and bugs, and collects coins—(don't we all?)

ORYSIA STRATYCHUK—Tall, dark and pretty, likes all sports. She came from a secretarial school in Ontario, and has gained many new friends for herself.

JEAN ELLEN MOONEY—Hails from Plenty. A staunch "C" school supporter who likes to skate and excels in horseback riding, and, very lucky for us, does her homework.

HERBERT AKEHURST—Alias "Bertie", is the silent type, but quite a sportsman. He knows that the denominator is (m-n) don't you Herb?

RUTH CLARK—Lo and behold! a quiet member of 4C who comes from Borden. She wants to be a school ma'am. We know she will be a success.

ROSS STEWART—The guy with the knock-out ties, whose quiet front deceives none; one of the few who keep 4C's academic standard up to par.

DONA PETERSON—Is always "going mad", especially in math. classes. Slaves as the pres. of Pauline, vice-pres. of Dramatics, secretary of Student Council, and a staunch member of 4C—busy girl, isn't she?

ERNIE DRAGAN—Ernie is Mr. Patterson's left-hand man, and he sure has a wicked left. Ernie manages to keep the room alive at all times, but is actually serious underneath.

OLGA HLECK—A newcomer from Englesford, who collects songs, and sings them very beautifully. Hopes to become a stenographer with singing as a sideline.

DICK MOODY—A very popular boy, which is indicated by his position as "C" school leader, soccer team captain, and his ability to attract friends. He cherishes his front seat in math. and chem.

YVONNE CARLSON—A former "E" schooler, who is a deep thinker, and thus by theorem 90, a chess player. Likes all sports and collects stamps. She intends to take law at Varsity.
