

4B

MR. DORRETT—He has maintained a genuine interest in all of us for the past four years. We won't soon forget him.

ERNEST CHOCHOLIK—We have enjoyed Ernie's presence for the past two years. He adds to the fun-making in class, is a good sport—a friend to everyone.

JEAN MACKAY—Class president, treasurer of the N.N.S., interested in dramatics and Pauline. Hopes to become a nurse some day.

DON WEINKL—A fellow from the forces who has taken his stand with 4B. We think he should go to Hollywood what with that voice and those hep steps.

BETTY HOSEGOOD—A cute member of our 4B gang, active in N.N.S. work, dramatics and Pauline; spends her spare time gazing at the "Cloud" on her horizon.

RON EDWARDS—Ron is a regular sportsman in every sense of the word. He is most interested in basketball, boxing, swimming and track. Ron is known to all of us as "Zeb."

REVA AMES—Reva, your smile is showing. She likes music, dancing and swimming. Her favorite saying is "Isn't he cute???"

BOB WILSON—Though we see little of him, Bob is known by all the fellows of 4B as a good guy. He is the president of the Boys' Curling Club.

MAY PHILLEY—May adds to the fun-making of the class and can she really whistle! She intends to be a nurse.

WALTER CHERNISHENKO—Enjoys playing hockey and softball. Walter is a good Math student. Always rushin' around in his blue auto.

SHIRLEY CAMPBELL—Active Pauline member, likes tennis, swimming and collecting records, especially hot "James" platters. A good pal to all.

JOHN CHOCHOLIK—Is studious and quiet, yet helps to raise our standards. We don't know much about his outside interests, but we are learning.

LORRAINE WARREN—Lorrie's keen wit and her carefree manner are topped by her unceasing chatter about her main interest—Pentiction. We wonder why?

PAT PARKER—Stars on our basketball team, active in Hermes and Pauline. A member of the Lit. Council and the Athletic Council.

RITA WATTS—Rita loves fun and has a mischievous manner which is enjoyed by everyone. She is a great sports enthusiast.

IVY SMITH—If you could skate your way through life, Ivy would be well prepared. She capably performs her duties as secretary-treasurer. There is certainly no poison about Ivy.
