

4D

CAMPBELL CASWELL—D School leader; an all-around athlete, literary critic, social magnate, and an enthusiastic member of the Dramatic Club.

JACK HOUSEY—Our curly-headed secretary-treasurer. The "Frank Sinatra" of 4D.

MARY HLADYBORADA—One of our less noisy students, who has a steadying influence on our class.

BOB MORRISON—Bob came to us from 3E. Admired much by all 4D. He's cheerful and happy in work and play.

DOROTHY GILFILLIAN—A newcomer to Nutana; rather a mischievous girl at times, yet a hard worker. Dot loves curling.

OREST YAROTSKI—Orest hails from Manitoba. A quiet chap and he has proved to be an industrious student.

MARGARET VICKERS—A small, dark-haired lass who takes everything in her stride. She hails from Bredenbury and is a whiz at Trig.

TOM IRWIN—Tom hails from Manitoba; an excellent student, especially shines in History.

NATTIE TUTKALUK—She's new, she's tall and she's clever—that's Nattie. A quiet member of our class but assuredly an asset to it.

DANIEL SKORETZ—A quiet member of 4D, a newcomer to our class; his performance in the field of sports delights each lad and lass.

GLENNA COCKRILL—Tall, blond, lots of fun. She's sports editor of the Hermes, and one of the most popular members of 4D.

JIM McNEILL—"Marbles" is our tennis king, and he is quite the soccer player too. Although he is only one of our part-time students, he is liked by all.

WILMA PURDY—A brown-eyed girl with a pleasing friendliness to all. Wilma's favorite expression is "What French do we have to translate today?"

DELLA SOROCHAN—A pleasing black-eyed brunette who modestly denies studying but produces good results.

VERONICA STURBY—A new girl in our class this year. Veronica's willingness to co-operate has made her a friend to all.

MARIE FORSYTH—In one of our most industrious students. She is Hermes representative and class librarian.

JEAN FINDLAY—Full of fun, but has her quiet moments. Jean wants to be a nurse. One of our best students.

ELLEN DOROSH—Ellen is an attractive newcomer who comes from Stenson, Sask. Adds to the quiet side of 4D.

JOHANNA ALMAAS—Take grey eyes and brown hair, add a dash of personality, a generous sprinkling of good sportsmanship and garnish with a cute turned-up nose. What have you got? Jo Almaas.
