

Glen Furse—4B's class president commonly known as "Fuzz", is the advertising manager of the Hermes. Glen is really hot stuff when it comes to curling. He plans to attend Varsity.

Greta McKay—We haven't space to list all Greta's good qualities so we will just say that she is 4B's personality girl.

Leonard Spitznagel—Our foremost soccer star of 4B. This Handsome intelligent, suave, cultured gentleman is someone 4B would be unable to do without. Hopes to be a millionaire some day.

Carole Moen—Carole has a charming personality which attracts friends like honey attracts bees. She loves dancing and is fond of almost every sport. Her ambition is to be a nurse . . . to look after all the doctors.

Norm Stevenson—"Stevie", our capable Senior Watch takes part in all sports including curling which is one of his specialties. We are sure that Norm will be as great an asset to the U. of S. as he is to Nutana.

Betty Stafford—"Earth has not anything more fair to show. Dull would he be of soul who could pass by a sight so touching in her majesty.—Dongre.

Doug Stark—Star half-back on Nutana Blues. Clown of 4B, he wanders around the school half asleep. Doug is going to Varsity and his ambition is to graduate in chemical engineering in advance physics.

Yvonne Patenaude—Our never sit-still livewire who really makes good marks without obvious effort. Her humour and wit have brightened many dull classes and will be a valuable asset in her nursing career.

Gerd Froese—Our big friendly boy who came to us from Germany. His favorite sports are water-polo, skating and sailing. We wish him all the success in Nutana and Canada.

Joe Kammernayer—"Katz", fun loving, industrious boy. Although there is no way you can aptly describe him he is somewhat like a hurricane, always on the move. His present interests are hockey and basketball.

Elaine Schmitt—"Smitty's" vivacious giggle, big brown eyes, and thoughtful nature have won the hearts of all her classmates. We expect she'll really hit the high spots in singing.

Donna Stewart—Donna is one of our ambitious girls. She is planning on going to Varsity to take Pharmacy. We keep wondering who will do her homework for her then.

Joan Glassford—Our cherry blonde, will be remembered for her mischievous smile and friendly help. Joan loves skating and skiing. After a Varsity course, she hopes to become a Home Economics teacher.

Natalie Larionyk—A quiet blonde who is a newcomer to our class, hails from Davis. She intends to take B. Ed. at Varsity. Good luck in your future work, Natalie.

Sylvia Sampson—Sylvia whose home town is McKague came to us from "A" school. She seems to be a quiet girl but a willing worker. Sylvia is enthusiastic about a nursing career and we're sure she'll be a success.
