

Sonia Dragan—

Sonia Dragan one sweet lass
Is secretary-manager of our class
Her clever jokes and winning smile
Keep 4C happy all the while.

Frank Bibbey—Frank is an all-round athlete. His favorite occupation is whizzing around on his scooter. Ambition . . . to be in the airforce. Hope you make it Frank!

Dorothy Breher—A newcomer to Nutana Dot is always willing to help us in basketball. City Park's loss is our gain. Her ambition is to be a nurse.

Bernice Empey—Bernice is the smallest, quietest girl in 4C. She hails from Moosomin and is friendly and always willing to help. Her choice to be a nurse is a wise one.

Eugene Franko—A 4C student we couldn't do without. Eugene really gets us laughing when he wants to. He's outstanding in sports as well as school work. Anything he can't do?

Paul Hleck—Hails from Englefeld. He has a keen sense of humor. Paul is interested in all sports but likes Rugby best.

Muriel Gore—Quiet but friendly Muriel is a definite asset to 4C. Says she has no favorite subjects but how about Psychology? Her ambition . . . nursing.

Helen Janzen—Helen has recently come to Canada. Despite the difficulties of language and custom she is an outstanding scholar. We like you Helen and admire your courage.

Robert Hobson—Our "Frankie Sinatra," he's good at other things too. Baseball seems to be Bob's favorite sport.

Arthur Johnson—What do we want with "Van" when we've got Art? He's loads of fun and has personality plus.

Tom Husby—Came to Nutana from Outlook. A quiet fellow but a good addition to our class.

Shirley Lang—A ready smile that you can't help but return when you see the twinkle in those big-brown eyes. There is no "Blocking Back" petite Shirley's interest in Rugby.

Boris Maduke—We understand by all reports Boris is quite a prominent figure at the YMCA (or is it YWCA, Boris?) He has been a valuable member to Nutana Rugby team.

Kay McKerron—5'2" eyes of blue. Excels in speeches, debates and sports. Hermes Social Editor this tiny Miss is everyone's friend. Normal beckons Kay next year and we envy her future pupils.

Bill Martin—We only see Bill in the mornings but what we see of him spells more. He is quiet and shy and is likely to succeed in whatever he tries.

Ruth MacFarlane—A lassie with a Scotch name. Ruth is active in volley-ball and basketball. There's never a dull minute when our Ruthie's near. Ambition . . . to be a nurse.

4C
