

**Miss Carter—**

"Teach" tries hard with her hammer,
To keep down the 4D clamor.
We all appreciate the excellent instruction Miss Carter
has given us these four years. If anyone needs proof
that teachers are human, just let them meet our
French teacher.

Melvyn Malkin—

Mel is Nutana's Senior Watch,
Who the girls think is a good catch.
Mel is athletic, gets lots of "A's" and is good looking
too. What more do you want? Mel is going to
Varsity next year. Good luck, Mel.

Peggy Hartnett—

A nicer girl you've never met,
Than our little Peg Hartnett.
Peg plays on the Senior Basketball Team and also
is a member of the Penguinettes. Future?

Lynne Evans—

You've all met our Senior Pin,
It's pretty, friendly, ambitious Lynne.
Varsity will welcome Lynne next year. She takes an
active part on Penguinettes, Senior Basketball, Curl-
ing, the S.R.C., the Hermes' staff, and Pauline Club,
as well as performing her Senior Pin duties. Oh, yes,
she plays the piano and golfs too!

Helen Lyke—

Helen is our other redhead,
Without her our room would be dead.
Helen is D school's N.N.S. rep. She is the type of
friend you can count on to be there when the going
gets rough.

Neil Bartlett—

Neil likes both sports and girls,
He'll give anything a whirl! especially skipping.
This outdoor man does a lot of hunting and
Was one of the stalwarts on the rugby team.

Stew Andrien—

Bowling and curling are Stew's favorite games.
As an Engineer we know he aims.
Stew's good marks and pleasing personality are easy
to get along with.

Joy Dale—

Joy is friendly and full of fun,
School and music keep her on the run.
Joy is not sure what she'll take next year but will go
to college in the States.

Sandra Hay—

Hermes Editor is our Sandy,
With a badminton racket she is handy.
Sandra is very advanced in piano and theory, showing
considerable talent in this field. Varsity lies in
her future.

Gerry Evans—

As golfer, basketball player and equestrian,
That Gerry is to tops, there's no question.
Gerry is "D" school leader and is active in many fields.
Plans to take Phys. Ed. at Varsity.

Lorne Hutton—

Lorne is a jolly type of fellow,
We certainly never hear him bellow.
Lorne has a cute grin that brightens up our class.
He's going to Varsity next year.

Anita Sallans—

Anita! Oh! what a brain.
She's kind and friendly just the same.
A drama enthusiast who intends to go to Varsity next
year. Maybe take Engineering(?)

Ron Huber—

Ron likes the game of bowling,
His little jokes keeps us rolling.
Ron's plans are to take Pharmacy next year.

Lois Becker—

Lois is tops in all kinds of sports.
This gal looks really good in shorts.
Lois is on the Senior Basketball team, president
of the Curling Club and plays on Penguinettes at
the Y. Her pretty face simply beams when she smiles.

Vicki Bergbusch—

A mild miss with a high I.Q.
Who's always gay and never blue.
Vicki is very easy to get along with, never letting any-
thing worry her. Her theory is "why get old before your
time?" Sounds good to us. Future? What's that?

4D
