

Peter "Solemn" Wojcichowsky

From this fellow we hear not a peep,
But we know still waters run deep.
A good soccer player is he,
An able teacher he will be.

Peter "Thoughtful" Yuzik

To take Agriculture or go to Teacher's College,
From Alvena he did come to us,
Quiet, thoughtful, and never makes a fuss.

Shirley "Carefree" Shillington

Shirley can't seem to be able to make up her mind
Whether in Toronto or N.C.I. her we'll find.
This cute miss plans to be a nurse
And save all the handsome men from the hearse.

Valerie "Marilyn" Tarasoff

Val is one of the Beauties of 4A,
Brains and looks both went her way.
Without her we would be at a loss,
We think she'd be a good secretary for some boss.

Charles "Little Skyscraper" Frank

Along with two brothers from Regina came Chuck,
Work he seems always able to duck.
Quiet, friendly, with a ready smile,
Many girls' names he has on his file.

Evangeline "Scorchy" Skoretz

She is always quiet in school hours,
Out of class she shows other powers.
We all think Evangeline's very cute.
Her future will be getting a man and his loot.

Bob "Skinny" Skene

All night out on the romp,
Catches up on sleep in Comp.
Plans some day to be an actor,
His slow (?) motion a helpful factor.

Carol "Cutie" Singer

This is the gal that's got a pre-med,
It hasn't yet gone to her head.
Brainy, fun, cute and small,
She has captured the hearts of us all.

Dale "Sneed" Palko

Golfing is this fellows one desire,
At school work he is a wild fire;
Dale is Sports Editor on the Hermes staff,
We find him always ready for a laugh.

Walter "Musician" Mossman

Music sweet doth this boy make,
In the future we know he'll succeed
And win friends and fortune by many a kind deed.

Alayne "Canary" Hutson

This is the girl that really can sing
To Pauline Club much help she does bring.
She plans to go into Type E Arts;
We hope she'll get very good marks.

Ian "Mac" McDermitt

Adds attractive scenery to N.C.I.,
When he leaves, the girls will sigh.
Has this guy got in a rut.?

Albert "Elbow" Frank

Asleep in class, oh my! oh dear!
Teacher's advice he can never hear.
In class he always adds some spice,
We all think that he's very nice.

Catherine "Kithy" Roney

Our worthy president this gal is;
Hard school work on her does not fizz.
In drama she always plays the lead;
In whatever she does she'll surely succeed.

Tom "Sharpie" Stark

We find him sitting at the back,
Absorbing all but forgetting fact.
He seems to be always going steady;
If he breaks up the girls will be ready.

Joe "Tarzan" Frank

This is the husky member of the Frank clan,
Hearty laugh and wide grin,
Homework to him seems a sin.

Jim "Fin" Finnie

In hockey our Jim always excells,
His future plans he never tells.
Sometimes Jim finds school a bore,
In personality he could have nothing more.
