

**Mr. Dorrett**  
While praising the teachers, here's one we'll support  
He is our form teacher and a real good sport.

**Mrs. Fewster**

**Ted McKenzie**  
A member of this year's Dominion Rugby Championship Hilltops. Pastime — Peg. Ambition—Unknown.

**Jacquie Hodges**  
Continuous study is such a bore, all those books I have to read. Jacquie's future is nursing.

**Theodore Rempel**  
We all wonder what his secret formula is for getting such high marks in Math. This pro-bowler is another teacher to be.

**Brain Edwards**  
Sleep, you charm me;  
A few minutes more will never harm me.

**Mabel Chilliak**  
One of the smallest in the class. Mable is very prim and proper. Is well liked by all.

**Wes Baker**  
"Let us have wine and girls, mirth and laughter,  
Sermons and soda the day after."  
This lad is headed for Varsity.

**Mabel Church**  
Do not pass temptation by, it may never come again.  
Pastime—Cutting hair. Ambition—Another nurse to be.

**Orrin Clayton**  
Enthusiastic about everything he does. He is always seen at school dances, enjoying himself as usual. He plans to take Agriculture at Varsity next year.

**Joyce Harman**  
Not bold nor shy nor short nor tall, but a wonderful mixture of them all. With her wavy hair and her charm she will never come to harm.

**Jack Cook**  
Now I lay me down to sleep;  
The teacher's dull, the subjects deep.  
If he should quit before I wake  
Give me a poke, for goodness' sake.

**Eleanor Currie**  
She upholds 4B in sports. Future undecided. Perhaps she'll be a housewife soon.

**Hartley Cowley**  
A quiet lad, who will go far. Well liked by all.

**Isabel Dawson**  
"Silent but sincere." Sweet and pure, and oh so sweet. Ambition—unknown.

**Ted Deakin**  
"No car have I to grieve me." Engineering is his ambition but meanwhile curling, shooting rabbits, cartooning and mechanics keep him happy.

**Roberta Hinde**  
Not over-serious, not over-gay,  
But a real good friend, in her own way.  
Pastime — reading.
