

MORLEY PARFENIUK

Mort has a terrific personality,
His life is full of variety.
He squires the girls with great regularity,
He'll go for in life, most positively.

FRANCES PATTIE

A small blue-eyed blonde, full of fun,
She always has her homework done.
A teacher this girl plans to be;
A good one, too, as we will see.

RAY GESSLER

Our boy Ray is quite a brain,
School for him is not a strain.
We all think he's a real good guy;
Nutana will hate to say goodbye.

MARVIN BLACKWELL

A forest ranger is his ambition,
You have to be in good condition.
Squaw and spy glass he will take,
A very good one he will make.

ERNIE NICHOLLS

Our valedictorian is very well known,
Although in stature he's not overgrown.
This boy is the life of the class,
In 4C finds his little lass.

BOB PETERSON

Bob's new this year, but he gets around;
Being interested in Engineering, he's Varsity bound.
We know Bob will uphold Nutana's tradition,
And after Varsity he will hold a good position.

ERNEST BERGBUSCH

Here we have a radical,
He isn't very anti-social.
Do you know what he's going to be?
Don't worry — neither does he.

HEATHER POSTLE

Business College — what a change;
Her talents are in a very high range.
She holds high marks and our esteem,
Heather is our little beam.

BRUCE FOCKERINGHAM

This lad has trouble in all his maths;
He doesn't make very good graphs.
He's well liked by all and likes everyone,
Here's a lad who's lots of fun.

EVA NICHOLLS

Eva's going to be a teacher;
I'm sure she'll be a very good leader.
With children around she has a great hand,
When she arrives, they'll strike up the band.

JOAN WHITEHEAD

Joan's been with us four years now,
With us she's never had a row.
To the U. of S. she's going.
She's a curling champ worth knowing.

AL HUBBS

Al is very blond and tall,
His stories really top them: all.
The drums he just loves to play,
And from girls he seems to sa-shay.

CLIFF PAPROSKY

Happy-go-lucky and caring to go,
With a grin for all, he's a real good Joe.
Whatever he chooses he'll be a success,
Because Cliff is really going to progress.

HELEN TROUT

Helen is well-liked by everyone,
And always seems to have fun.
A teacher she intends to be,
She'll be a good one, we all agree.

JACK LAMARSH

Jack Lamarsh, a two-fisted galoot,
Smart, French, and loaded with loot.
A lawyer is his ambition to boot,
A reclining chair he's sure to suit.

GERALD McKAY

A spry young chap we have here,
He's been with us only this year.
He isn't sure what he's going to do;
Whatever it is, he will never rue.

RUTH HAGAN

This smart little lass,
Who's the joy of our class,
A nurse is going to be;
She's going to Varsity.

PHIL KOTYK

Phil brought us looks — plus!
He showed us math — plus!
He lost his love for homework — minus!
This adds up to plus one good psychiatrist.
