

**PAT BROPHY**

Pat bubbles with enthusiasm. When she has made her fortune as a secretary, she should make a good wife for some lucky Engineer.

**MR. LeBLANC**

Nobody has ever had a better class teacher than lucky 48. "Monsieur" LeBlanc has been a close friend for four memorable years.

**ARLENE BOYKOWICH**

Life without Arlene would be dull indeed! She plans to take a Varsity Arts course and become famous.

**TOM WALLACE**

The girls think he comes close to being the ideal boy. Tom stars in athletics and plans to major in Physical Education.

**LORRAINE CANT**

With a variety of interests such as "Pharmacy," she hopes to enroll in the College of Education.

**WALTER BRODOWSKI**

How his eyes twinkle when he grins! He works hard and wins friends easily. Best of luck in the future, Walter.

**STUART CAMERON**

"Pussy-foot" excels in both school work and swimming. He wants to enter the medical profession, but the girls thing he'd make a better life-guard.

**LOIS CHAPPELL**

Lois' ambition is to go globe-trotting and seek adventure in those far-away places, but we know she'll go to the U. of S. first.

**BILL DEVERELL**

A new arrival from Regina, Bill has quickly become one of "us." He is another "class genius" and may enter medicine.

**VERLIE QUALMAN**

Verlie has artistic talent and her hobby is horses. She is always willing to help and will enter nursing next year.

**CONRAD KNOCK**

Conrad is from Lethbridge and is friendly and works hard. (He's completing four years of Latin and three of German.) He plans to enter the ministry.

**JIM HODGES**

"Casanova" is one of those who get better marks by not keeping quiet. Jim will be a Geological Engineer.

**RICHARD LOEWEN**

Dick prays for the day when his hair will wave. He makes A's, owns a record collection, and will have a medical practice in a few years.

**ED FOBEL**

This boy will do anything for a laugh . . . so detention there he goes! Ed belongs to "Y", and is a good sport. It's anyone's guess as to where his future lies.

**PETER JOHNSON**

Peter can be found in the center of confusion. His witty remarks cheer us in dull classes. He will be found at U. of S. next year.

**DON McDERMID**

This curly-headed boy plays the violin in our orchestra and gets good marks. Say, girls, dig that car! Don's future is undecided.

**BETTY ROBERTSON**

Social activities and "boys" keep Betty busy. She is also a bowling fan. We wish Betty success in whatever profession she chooses.

**BOB MAGUIRE**

Just like the Cheshire Cat - he fades away but the grin remains. Bob shines in track, rugby, basketball, and plans to become an Engineer.
