

**DON "SPIKE" FOWKE**

In a rusty Ford he doth ride,  
With a cute damsel by his side.  
An Engineer he aims to be,  
And maybe he'll guard the Xmas tree.

**MR. ADAMS**

Why can't all classes be as lucky!  
Nuf sed?

**HELEN DIBROSKY**

A busy girl with the N.C. Eye,  
This girl is nice as pie.  
A keen sense of humour and lovely voice,  
She has picked nursing as her choice.

**PAT TODD**

Our cheer-leader, Senior Pin, in one,  
Much for our school she has done.  
Her future plans are not made,  
But from the lime-light she'll not fade.

**GERRY BEAUBIER**

In basketball well doth he shoot,  
For girls he giveth not a hoot.  
In Varsity he'll make happy all,  
When for the Huskies he plays, strong and tall.

**JEAN BILLINGS**

No change in this dear,  
Since we wrote her up last year;  
A slim, pretty lass,  
Who adds much to our class.

**BEV. MacDONALD**

President of the N.N.S. and on the S.R.C.,  
Bev. will take nursing at Varsity.  
She is popular, liked by all,  
This girl's really on the ball!

**GRANT "HORNS" HOLMES**

The biological urge says Yes!  
But "Horns", he'd rather not say.  
An Engineer he'll be in time,  
And all he needs is a rule and stein.

**JOAN MARTIN**

Her pleasant smile and personality  
Make Joan well-known around old N.C.  
A nurse to be, and what a one,  
In her ward, they'll sure have fun.

**ELAINE HART**

On the Awards Committee and S.R.C.,  
Elaine's kept busy as a bee.  
Her marks are a sign of sure success,  
In whatever she chooses, we wish her the best.

**HERB GABORA**

One of the boys as of late,  
In our opinion high doth rate.  
French doesn't suit this lad too well,  
Miss Carter would like him to go to . . . Summerschool.

**ELVA MANTEI**

Her radiant smile and clear blue eyes,  
Make her popular with all the guys.  
In a little red school-house she will be,  
And what a teacher we shall see!

**RON ELLSWORTH**

A happy chap without a care,  
He thinks of school as one mad tear.  
His only worry is his car —  
Even at best it won't go far.

**ANN THORPE**

On the Athletic Council and in basketball,  
This girl really thrills them all.  
She'll be another Florence Nightingale,  
And with her personality, she'll not fail.

**HAROLD BELL**

Rather quiet but never glum,  
To us from B school he has come.  
We wish him luck at Varsity,  
In a sweater red, with a giant "E".

**PEGGY SLIMMON**

A quiet girl and very nice,  
To old 4C she adds much spice.  
The patients to her will go for a cure,  
A great success is very sure.

**DONNA McDOUGALL**

A quiet girl she is typed,  
And by all very well liked.  
Business College is her calling,  
Unless for some man she is falling.

**JANICE BERRY**

In basketball she doth excel,  
And is a cheer-leader as well.  
About her future she doesn't know,  
We wish her luck wherever she goes.
