

PAT CONNOLLY

Carefree, fun-loving, always on the go,
Pat is anything but slow,
Nursing is her chosen profession;
For some patients — what a blessing!

BOB REYNOLDS

"He hath done what he could,"

—Scriptures

LUCILLE WALLACE

Her sparkling eyes and cheery smile
Attract the boys for many a mile.
A successful steno she will be —
While sitting on the boss's knee!

GWENNA MOSS

Lively captain of 4C girls B-ball,
A familiar figure in the hall,
Gwen's plans include Varsity,
Where she'll certainly get her degree.

SYDNEY (DENNIS) NEUFELDT

As the terror of the chem. lab, he is known,
Bright in other things he has shown.
At U. of S. he'll do okay,
Where he'll be after a C.A.

BETTY GYLES

On the N. C. Eye and Hermes Staffs,
She provides us with many laughs.
Like many she's chosen nursing —
Her patients sure won't be cursing.

ELLEN GERIE

Captain of our volley-ball team,
This girl is really on the beam.
With her warm smile and personality
A fine nurse she will be.

NEVILLE "ANDY" ANDERSON

He shall go to U.B.C.,
An architect for to be.
He'll major in rugby!
And have a lot of fun.

JOAN LYKE

Her good nature and friendly smile
Have won her friends for quite awhile.
At the Varsity hospital she will be,
An expert nurse we soon shall see.

CLIFF DENOWSKI

Be there a man with soul so dead
Who never to himself hath said
"To heck with school —
I'll stay in bed!"

DARLENE PORTER

Athletically minded, pert and petite,
This gal is pretty sweet.
She's undecided how to make a buck,
But whatever she does, we wish her luck.

LEW HOBSON

After 13 years of hard work and strife
He'll go to California — what a life!
To study the habits of U.S. women, and use
A baseball scholarship as an excuse.

MARGARET HATHWAY

Those big brown eyes and figure small
Make all the boys say, "What a doll!"
About her future she's not sure;
We wish the best of luck to her.

BRUCE EAGAR

Right tackle of our team this year,
Bruce bubbles over with joy and cheer!
Calgary is where he'll be
And then the girls will have a sprae.

MARNIE SMYTH

Bright and cheery, loads of fun,
Many friends at Nutana she has won.
Nursing will be her chosen career —
Her patients will stand up and cheer!

JACK GILLILAND

Jolly Jack our jumping Joe,
He says, "To Varsity I shall go.
I'll be a genius you shall see,
Unlike the boys in old 4C!"

SALLY McAULEY

An infectious giggle and mischievous gleam,
This gal is really on the beam.
Sally plans to be a psychiatric aid,
She'll do well with the marks she made.

JIM OSBORNE

A swell pal in Jim we find,
For he's the very tolerant kind.
In precision he doth excel
And in arts he should do well.
