

**GERRY WALLINGTON**

Gerry's quiet appearance has fooled many a teacher. He hopes to become a dentist (pity the patient!) and is sure to succeed.

MAVIS MOLINE

Our popular class secretary manages to keep the class laughing. Ambition . . . to get through Lit class without a gum slip. Probable destination . . . life sentence in detention.

PETER PICKLYK

Pete is a well-liked member of 4D whose life out of school is a deep, dark secret. His future is undecided. Best of luck, Pete.

BOB PARKINSON

Bob is well known to us for lending his math homework and his participation in school activities. He'll further his education at Varsity next year and we know he'll be a success.

LORRAINE PAUL

Lorraine is on the N.N.S. and active in interform sports and curling. She is also Sports Editor of the Hermes. Next year she will wind her merry way to Varsity and take Arts for social work.

VERN MacMILLAN

Vern is on the soccer team, and is enthusiastic about basketball and hockey. Known for his many V-necks, Vern plans to take medicine at the U of S, and we know he will succeed.

MELVYN PFEIFER

Melvyn came to Nutana two years ago and has added much to the spirit of 4D. He is undecided about his future. Good luck Mel, in whatever you do.

ROMA DOWLING

This quiet miss is more often seen than heard. Her dramatic talent was displayed in our school plays last fall. Next year Roma will be a Lab Technician.

LEN POLLOCK

Our school photographer, Len is always snapping pictures (extra-curricular and extra, extra-curricular!) He is another Lionel Barrymore and is answering the call of Varsity.

ERIC RAWSON

Mr. Benson's pride and joy, president of the Drama Club, and a budding Alfred Hitchcock . . . what more can you ask for? This boy is attracted to the U of S.

GALE RENNIE

"Crete" is famous for her skating ability and unless something better (like marriage) turns up, will continue with her skating or attend Varsity.

BEV SALLANS

4D's blushing red-head. The patter of her feet into the room at 8:45 is a common sound to Nutana scholars (?). Bev plans to attend Varsity next year.

BRUCE SCHNELL

Comes to school to kill time (and Gerry). His witty (?) remarks help keep 4D's "fires burning". Bruce will enter the College of Pharmacy next year.

JEAN STOCK

Her outstanding singing voice helped make our operetta a success. Also known for her curling ability, she will attend the U of S next year.

BETTY ANNE WORBOYS

Betty's giggle is a well-known sound throughout Nutana's halls. Active in most school activities, she will attend Business College after Grade 12.

LYLE SMORDIN

From Winnipeg came one of Mr. Patterson's most talk-active headaches. Active in drama and sports, Lyle will become a successful lawyer.

WENDY MacLEOD

Wendy was a cheer-leader and is good in all gymnastics. "Ham", also a drama friend, wants to become another Florence Nightingale. Best of luck!
