

# Class 4B

**Mr. LEBLANC**

We joined Mr. LeBlanc two years ago, and as we leave him we also leave behind many gray hairs. The memory of this lover of classics in Room 7 will always be fondly cherished by the members of 4B, 1959.

**ANN HILLIARD**

Cheerleading, N.N.S., Lit. Council, N.C. Eye, and Hi-Y seem to have filled Ann's term. Ann is a real worker and we'll miss her sparkling personality next year when she goes to Victoria College, Toronto to take Social Work. 4B wishes her success in her career.

**ARNOLD WILKE**

We know he's guilty of inciting that small hilarious riot, but to look at his face, you'd think he was an angel! Bud, our class secretary manager, intends to take Arts next year. Best of luck, Bud!

**KATHY McEOWN**

Kathy is always happy and 4B has found her the tolerant kind of Leader corps, Hi-Y, and Hermo to were only a few of her management activities for this year. She plans to become a nurse and keep in patients (or doctors) gay. Nothing but joy be yours, Kathy!

**GRACE MILLER**

Industrious, quiet, and always gay. Grace always has a smile for everyone. This we feel will make her a great success in her chosen field. May nothing but good luck lie ahead, Grace!

**DAN HUDDON**

Tall, dark, and handsome; Dan came to us this year from Notre Dame College in Wilcox. His plans for the future are indefinite, but we're certain he'll excel in whatever he does.

**DONNA CAMPLIN**

Blonde, vivacious and full of pep! That's our Donna. Her agenda this year included Job's Daughters, Hermes, N. C. Eye, Captain of the Girls' Basketball team, Hi-Y and many other activities. Her future is undecided but we know success lies ahead.

**DAVID MORRISON**

Dave never seems to do much work, but just watch him pull off those high marks. Drama is one of his main interests and he does well at it. Next year he is off to the U. of S. Best of luck, Dave!

**AL MacLEAN**

A valuable member of the basketball, football and track teams. "Ski" plans to go to varsity and become a doctor. . . . Could the nurses be the reason? We wish you every success, Al.

**MARION WILDLAKE**

Although this tall blond is undecided about what she'll do next year we know she'll excel in whatever she tries. Our best wishes go with you, Marion!

**TONY SIMON**

Always surrounded by girls, that's our Tony. Although this guy won't say, we all think that he'll become an efficiency expert after taking Commerce. Reason: Then there'll be more time to play.

**SHIRLEY BUCKLEY**

Shirley is always on the ball and we feel that she did a very efficient job as senior pin this year. Physiotherapy seems to have caught her eye and so she'll go to the U. of A. next year. Her pleasing personality and unending patience have made her a delightful classmate and we feel that success will follow wherever she goes.

**DAVE HAMILTON**

A studious lad whose marks keep our class average up. Dave plans to become a lawyer if his car will run as far as the university next fall. Best of luck, Dave!

**MARY LOU BAILEY**

"Lou" adds beauty and charm to old 4B and hasn't much trouble getting high marks. She's bound for University College, Toronto, to take General Arts. We all wish her the best.

**ERROL MCKINSTRY**

Errol excels in B'ball, football, track, and girls as well as getting good marks. This handsome guy plans to invade the University next year and we of 4B wish you every success.
