

Class 4B

BILL HODGES

Bill rattles the teachers and is in an every riot, but always appears to be quite quiet. This handsome gent plans to go to Varsity, but what he'll take is anyone's guess. Lots of luck, Bill.

JANE BROOKS

4B has cherished Jane's bright charm. By those who have worked with her in drama she will be long remembered as an outstanding leader and a warm companion. We hope she will continue to share her delightful smile and refreshing outlook with those she meets at university.

NEIL BERNBAUM

Neil is the guy with the flashy red car. We of 4B have found him to be a real good-natured guy who always comes up with terrific ideas at the right time. He plans to enter medicine next year; and, so, may success be yours. Neil.

CAROL BEGGS

Our N. C. Eye editor for '58-'59, with S.R.C., Awards, and Hi-Y, too. In spite of her many activities, this good natured girl kept 4B spirit rolling. Carol intends to become a nurse at the U. of S. because she loves those long needles; but whatever your reason, may success go with you, Carol.

ELIZABETH FINLAY

Among Pauline, Awards, and Hi-Y, 'Liz' seems to have time to keep her school work up. 'Liz' is everyone's friend and her future lies in a career of nursing. We're sure that her cheery smile will cure all her patients.

IAIN MacLEAN

Iain is a great guy; just ask him. He has played basketball and rugby for the Blues for two years, and carried out his responsibilities as school leader well. Iain has had four great years at N. C.I., and is sure to be a success in law next year.

NORMA RUSSELL

Norma doesn't say much about herself, but one thing sure is that she's a wonderful gal to know. She's to U. of S. for education next fall and with her initiative, success is sure to follow. Good luck, Norma!

DICK BELL

This oimiable guy did a fine job as senior watch this year and as well as obtaining high marks he was one of 4B's additions to the Blues rugby and b'ball team. Dick is well liked by all and we feel he'll do well in his pre-med course next year.

HOWARD REYNAUD

Howie is our class genius, well liked by teachers (a rarity in 4B) and students alike. He plans to enter the College of Engineering after graduating, and will without a doubt be a credit to Nutana.

EMILY KUZYK

Here's a girl who's quiet in school, but what she does out of school no one knows. Her bright smile and sparkling eyes have won her many friends in 4B. Best of luck in your chosen career, Emily.

ALVIN HONG

Full of fun and laughs, Alvin's favorite period is Chem. Lab., where he keeps Mr. Hibbert on the run. Good luck, Alvin, in whatever you may do.

PAT MORRIS

This busy gal does a good job of fitting school between her extra-curricular activities, which include Pauline, Hermes, Hi-Y, and many others. Nursing seems to have captured your desire, Pat, and so 4B wishes you the best of luck.

CAROL McEOWN

Carol is ready to lend a hand, and is always cheerful and gay. She has had a term full of activities, which included Hermes editor for this year. She intends to make journalism her career, unless the right young man shows up. We're sure she'll succeed.

JOHN COOKE

This tall handsome guy seems quiet but from what we hear of his extra-curricular activities this can't be so. John's future is undecided as yet but the best of everything from 4B in whatever you may choose.

MARY JQUES

Mary is off to Trinity College, Toronto, to take bio-chem. This dark haired 'miss' had a full agenda this year with N. C. Eye, Pauline, Drama, and Hi-Y. May success be yours wherever you go, Mary.
