

Class 4C

CAROL CHELSOM

This pert 'n' pretty secretary of the Pauline Club plans to become the private secretary of some very fortunate boss.

BILL McNAUGHTON

All Bill wants to do is to get ahead in this world. I don't know what he's going to do with it when he gets it, but best of luck, anyway.

JOAN GILLESPIE

Besides curling and interform sports activities, Joan finds time to liven up our class. Next year will find her at Business College. Look out, bossman!

BOB CAMPBELL

Bob likes figures and plans to further his research into their foundations. Bob, keep your head in those accounting books, eh! May success smile your way, Robert!

DARRYL HOLMES

"Local hood makes good." That's our Darryl. He's planning to take Engineering next year, and we know that he will go far.

LYNNE HUME

Her sparkling personality and gay laugh will be an asset to this pretty girl, in medicine or law.

GARY WOODHEAD

A veteran of 4C combat, 'Woody' is our gymnastic expert. His future plans are indefinite. Maybe we'll find him selling refrigerators to the Eskimos.

STEWART GATES

When the lunch room is filled with rich, deep tones, it means that 4C's pride of the boys' chorus is at work. Stewart, however, does not plan to be Perry II; astro-physics is his line.

LEN DICK

Our happy reporter hopes to continue reporting the news after he takes a course in journalism. We won't forget your humor. Happy days with your typewriter.

DON BROWN

Don is 4C's mystery man. His past is a closely guarded secret. He is working hard, but to what goal no one knows. Good luck at whatever you do; we know you'll succeed.

ELIZABETH McFADYEN

When Liz speaks of becoming a lawyer, I know she's prepared to devote her life to the saving of MAN kind; cut rates for 4C, I hope.

HENRY LEE

If personality could speak, Henry would be heard above everyone else. He excels in the maths and sciences, so we're sure that the U. of S. will be getting a potentially great engineer.

ANDY HOGG

Andy never has trouble with the teacher; everyone sitting around him does. Andy doesn't know what he'll do to fill in time from now on, but he'll probably take Engineering.

BRUCE DAVIS

Being chosen top student of Nutana in grades nine, ten, and eleven predicts a bright future for Bruce in Commerce or Chemistry. Best of luck in everything!

ERNIE DAWSON

When Ernie finishes his law course at the U. of S., his first vow will be to liven up our courts as he has livened up Nutana. He's very interested in people—about half the world's population, I believe.

MYRNA HALSEY

Myrna, our pianist, is allergic to anything but A's. Future plans include a medical career. Anyone for a broken leg?

Class 4D

MR. PATTERSON

Mr. Patterson's jolly good humor and sincere earnestness will long linger in our memories. He has a happy knack of making his classes interesting. We appreciate the concern he has for us. His smiling face will not be forgotten by 4D of '58-'59.

LEN LANG

Down the row of the back we see, Leonard Lang full of glee, In the R.C.A.F. he's seeking his fame, Here's wishing success to his aim.

JOY WOOD

Red haired gay, cute and sweet, Entrances all, she is so petite, A keen personality, a winning way, In nursing she'll keep the patients gay.

SHARON LOVELL

Sharon has a sparkling and infectious grin, Carefree attitude, but that is no sin, To business college she will go, Where she will spread some of that glow.

CLARENCE HINCHLIFF

Let us have wine and girls, with and laughter, Sermons and soda the day after, Undecided is our Hinch, But he'll succeed that's a cinch.

BILL ELLIS

He's one that keeps us happy, Always cheery, peppy, snappy, Electronics is his aim, In this field he'll find his fame.

ELEANOR SURKAN

Full of charm, full of fun, Eleanor from Bedford to us has come, Though she's not sure what she will be, She'll succeed, just wait and see.

MARGARET MELDRUM

Here's to a twin so blonde and petite, Here's to a girl so jolly and neat, Her ability in sports and skating have won her fame, Marg Meldrum is her name.

MARLENE MELDRUM

Here's to a twin so blonde and petite, Here's to a girl so jolly and neat, Her ability in sports and skating have won her fame, Marlene Meldrum is her name.

KEN KOWEL

In hockey and track he's snappy, Here's a lad that's always happy, Phys. Ed. seems to be his call, To varsity he'll go this fall.

HILDA MOLINE

Here's a girl, full of fun and vim, At Christmas received a ring, from her "Him", So her future does seem quite clear, But first to business college from

BRIAN MCCARTNEY

Brian is a serious lad, We don't think he's ever chosen to be, A Mountie of the R.C.M.P.

JOHN DART

Tall of stature, broad of mind, The world could use more of his kind, In Engineering at varsity he'll do well, Where we are sure he'll do well.

JANET MCDUGALL

A merry laugh, plus a winning smile, Sprinkled with wit makes her worthwhile, Whether it's to nursing or Phys. Educ. she'll go, She'll be a success, this we know.

STAN GLOVER

Here's to Stan, full of fun, He keeps the girls on the run, To architectural engineering he is going, This boy is bound to make a fine showing.

MARILYN FOSTER

She's clever and always kind, A nicer girl is hard to find, She always has a friendly "Hi", Success will not pass her by.
