

Class 4F

BOB FARMER

Bob is as fine a school leader as you could know, always willing to help everyone. Thanks, Bob! He thinks he will go on to Varsity.

JOE SPARKS

Besides being tall, dark and handsome, Joe's dynamic personality has made him a real asset to 4F. Although swimming and "y" work take up much of his time, he still participates in interform sports and school activities.

ROY WOOLSEY

Roy manages to keep up his marks, hold down a job, as well as score in hockey and sink tough billiards shots. Such assets make a good spaceman, but we think Roy will succeed in Commerce.

KATHY HEPBURN

A very true F School supporter is Kathy. She wins all our points in track. You can very easily understand why, when you see her run. Kathy is our representative on the N.N.S.

PAUL STREET

Paul's thoughtful and plucky, helpful as well; a smile on his face, and an aggressive puck handler. Paul plans to enter the ministry, or he might even give the teaching profession a hand.

SANDRA MACK

Ambition—To become a nurse at the U. of S. or the City Hospital. Assets—Hard working and a pleasing personality. Activities—Sports and music.

TERRY KILBURN

A happy young fellow is Terrance. The girls seem to dig his appearance. A real asset in rugby, a whiz with the puck. Whatever he attempts, we know he'll have luck.

JERRY SANDBRAND

Jerry is on the drama executive and next year he plans to go to the University for Pre-Med. I believe that City Park was his hobby.

BILL VAN YLIET

Ambition—To take Type C Arts at the U. of S. Assets—Brains and drive. Activities—Class secretary and chasing girls.

FRED MAGUIRE

Ambition—To finish school! Assets—A monopoly on the magazines in library period. Activities—No one seems to know!

SHARON LEHRER

Sharon's laugh can be heard 'way down the hall. Her plans are to enter Nursing.

TYE EDGERTON

Tye is new to our class; he came from Congress, Sask. He hopes to go to Business College or Teachers College. Tye prefers math, and does stamp collecting on the side.

MAUREEN WIGGINS

This gal is from Swift Current, and next year to Business College she will go.

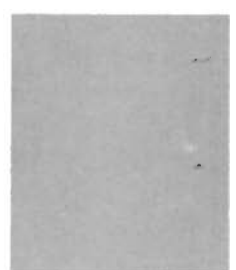

MYRON KOWALSKY

Ambition—Intends to attend the U. of S. Assets—A roving eye. Activities—All extracurricular!

LORNE BLAIR

A happy disposition and a real effort to get along make Lorne a popular man of the campus. As a gymnast he shows real form, and has great ability and promise in the field of electronics.

WAYNE NEEDHAM (4E)

According to gossip going around, Fixing cars is where Wayne can be found. His sense of humor will make you grin. We need not worry he'll always win.
