

Mr. McKENZIE

Your help in guiding us these four years has been priceless. We really appreciated it, and we'll miss you. Thanks from 4E, you put up with a lot and we are grateful.

SHERYL JOSEPHSON

Sherry's long blonde hair has caught many a boy's eye. Her baby talk and sense of humour has reduced our class to hysterics several times. Good luck in your future, Sherry.

WOLFGANG MENZEL

Although Wolfgang was one of our quieter members, his personality was felt by all. It was nice knowing you, Wolf. Good luck.

RON SHORE

Ron's friendliness and participation in school activities proves all brains don't go around with their faces buried in books. 4E wishes you luck although we know you'll succeed without it.

MARILYN LOUCKS

Taking part in Interform Sports, Pauline and Drama, Marilyn did a lot for our class spirit. 4E wishes you luck in your future.

LOIS TICKNER

Lois is a real treasure of personality and sportsmanship. These assets will aid her in her future. Best wishes are yours, Lois, from 4E.

JOHN GRINER

John's major interest outside of school is hot rodding. John is a member of the Draggins Rod and Custom Club and in Stock Car Racing. His favorite car is #48. We know success is in his path.

LESLIE BUCKLE

Les joined our class in grade ten and since then, without her, our class would be incomplete. We know you'll succeed at Varsity, Leslie.

KEITH LaBRASH

Our Room Manager and one who readily contributed to Interform Sports and Track. Keith was a friend to all in his years at N.C.I. Lots of luck, Keith.

BONNIE SCHARF

You can never find a truer friend than Bonnie. Without you, Bonnie, we're sure our school spirit would have been lacking. Good luck.

DIANE NOWASAD

Diane is a true friend, thoughtful and considerate, and always ready with a welcome smile. Diane, we'll miss you next year. Goodbye and good luck.
