**BARB BENT**

Barb attended A.B.C.I. before she came to Nutana. She was room manager in grade ten. Interform sports and track are Barb's school activities as well as being active with the N.C. Eye. Her outside interests include all sports. Business College and the hope of seeing the world are her ambitions after graduation. Probable fate: Chief cook on a slow boat to China.

**VANESSA BOTTING**

Vanessa attended Sion Academy for grade nine. She has participated in drama of which club she was president this year, and the Pauline Club. She plays interform sports and her outside interests are A.Y.P.A. and folk singing. Although she plans to take nursing we figure she will spend her life making around-the-world folksinging tours.

**JANET BUCHANAN**

Janet came to us in grade eleven from Kingston, Ontario. She was Hermes rep. this year, played volleyball and participated in track and field. She is a member of the Pauline Club and also Hi-Y. Her main interest is riding and she plans on taking physiotherapy at the U. of S. after graduation. Can you imagine Janet not fooling around with Suzie and Judy?

Laurie was N.C. Eye assistant editor '64-'65 and editor '65-'66, advertising manager for the Drama Club '65-'66. He was awarded the academic crests in grades nine and ten, and appeared on the Honor Roll (10, 11). **GAIL CULHAM**

Gail actively participated in interform volleyball and basketball. She was a member of Hi-Y and treasurer in '63-'64. Gail's ambition after graduation is to attend Business College. Can you imagine Gail without her warm and pleasant personality?

**NORM DALLIN**

Norm was "C" school leader this year. He participated in track (9, 10, 11, 12), played junior and senior football and interform basketball. Norm was an artist for N.C. Eye and participated for three years in night. His numerous outside interests include drawing, photography, cars and girls. After graduation Norm plans to enter the field of architecture. Can you imagine Norm without his artistic and humorous sketches?

**MYRNA DESORMEAU**

Myrna spent the first three years of her high school career at the Prince Albert Composite High School. In grades 9 and 10 she was yearbook rep. She is also active in sports as she played on interform, volleyball, Sr. basketball and Sr. softball teams. Her outside interests are sports and sewing. Although her intentions are to attend University, we think that she will spend most of her time playing right field for the Huskiettes and in the off-season, playing first base.

**LOIS DEYELL**

Lois came to us from Alameda High School. Her interests include curling, badminton, and swimming. After graduation she plans to attend Business College. Lois was a welcome addition to Nutana and we wish her the best of luck in the future.

Council last year, worked on the Hermes in the sports department in grades 11 and 12, and has been our secretary manager for the past three years. In the field of sports he has kept busy. He plays football and was co-captain this year, hockey, baseball, Jr. basketball and interform sports. He also participates in track and field. He sang in the boys' chorus last year. His outside interests are Rover Scouts, Hi-C, and Boys' Parliament. Although he expects to take Commerce at varsity we expect that he will be completely occupied being the leading point-getter of the NFL and playing hockey on one of the NHL teams in his spare time.

**VICKY FOLEY**

Vicky has been a member of Pauline for several years and was secretary-treasurer last year. She works on drama and last year, the N.C. Eye. She plays interform sports and participates in track and field. Her main outside interest is riding. She intends to become a journalist in the future but we think that she would make a great headwaitress. "Oats will be served in the dining stable!"

His outside interests include hunting and golfing. After graduation Ron plans to take commerce or physical education in the U.S.A. Probable fate: Bat boy for New York Yankees.
