

MR. McKERCHER

JANICE ACTON

Jan is Senior Pin. She was Sec.-Man. in Grade Ten, Pep Club rep. in Grade Eleven, head of N.C. Eye typing in Grade Eleven. Besides being on the Honour Roll, her awards include in Grades Nine and Ten, academic crests, in Grade Eleven a pin, in Grade Ten, a book award in social studies, and in Grade Eleven a book award in English. Jan has played Sr. volleyball in Grades 11 and 12, Jr. basketball in Grade 10, has been on the school track and field team for three years, and was a member of the curling team — which won the provincial title last year — for 3 years, a Hermes typist for 2 years. Jan also played interform sports. She thinks she will go into Phys. Ed.; more likely she will be Sec. General for the United Nations.

BOB AITKEN

Bob played Sr. football, interform basketball and was in the boys' chorus. His main interest is DeMolay. He plans to attend the U. of S. and take commercial.

KAREN ANDERSON

Karen has filled her four years with Sr. volleyball in grades 10, 11 and 12, Sr. basketball in grades 11 and 12, Jr. basketball in grade 10 and track and field in all grades. She also participated in interform sports. She has been on the honour roll for grades 10 and grade 9 she received an academic crest. She was Hermes rep. in grades 11 and 12 and also typed for the Hermes in grades 11 and 12. Her outside interests have been highland dancing in grades 9 and 10, Rangers and Hi-Y. Karen wants to enter the University of B.C., but we think she will be a model for Seventeen.

AILEEN ANDREW

Aileen has been on the honour roll every year at Nutana. She won academic crests in grades nine and ten, and a 'nine-A' pin last year. This girl trains and plays the guitar and used to ride. It is her ambition to go on a walking tour of Europe. We think she will be the trainer for future "Lassies" of TV.

PAMELA BROWN

Pam came to Nutana from Luther College in Regina. She was a member of the Nutana in grades 10 and 11, and held the positions of Secretary, then Vice-President. School drama has claimed Pam this year, though she has done some work with drama. Dog shows also claim her attention. Pam's ambition is TV or radio work. We think she'll find her way to Broadway to direct some great hit.

ROBERT CAPSTICK

BRENDA CONNOR

Brenda has been part of interform sports and track at school, besides her interest in music. She wants to be a teacher after grade 12. Brenda is known for her sense of humor and great wardrobe.

JIM CYR

Jim played Jr. football and interform basketball and was the Hermes Rep. in Grade Eleven. He is interested in golf, fishing, and travelling. Next year he plans to attend the U of S.

CHERYL DAVIES

Cheryl's presence has been greatly appreciated since her return to our class. She has a great interest in riding but recently her interest has been diverted to radio. Probable Destiny for Cheryl? Trainer for "Lassie."

JAY DOLMAGE

Jay was on the school badminton team and played interform basketball. He is a member of DeMolay, hunting and golfing. Next year, Jim plans to attend the U. of S.

NANCY GEBHARD

Nancy is best known at Nutana for her sprinting. She has won the individual in Grades Ten and Eleven, and has been a participant in the City and Provincial Games. Nancy took part in interform sports and in Grade Eleven, was in the Pep Club. Her outside interests include Hi-Y, CGIT and indoor track. She wants to be a Stewardess, but will probably become the speediest Customs checker!

DAVE HARDY

Dave was the Secretary Manager of our room in Grade Eleven and was on the school badminton team. He has also played interform basketball and has curled. Dave plans to attend University.

GLENN HARTMANN

Glenn came to Nutana in Grade Ten from St. Paul's. He played interform basketball and was Secretary-Manager in Grade Twelve. He is interested in cars and football. He plans to attend Varsity.

BRUCE HEPBURN

Bruce came to us from "D" School this year. He took part in interform basketball. His main interest is his car. Next year, he plans on going into Agriculture at the U. of S.

BARBARA LEACH

Barb has been active in interform sports throughout High School, and in the past three years. She is occupied with Drama this year, and last year she was given the Candy Blues. Barb's ambition is to be a nurse, but we think she is more likely to end up on "The Nurses" on TV.

ISABELLE LOUCKS

Isabelle has been a willing member of our class. She played interform sports for three years; has sung in Pauline for the same length of time; has reported for the school newspaper, and worked in Drama. This year she has been costume head for Drama. She is interested in music, and although her ambition is Physiotherapy, we think she will end up with the Metropolitan Opera Company.
