MRS. BARNES

JEANNE ALEXANDER

Jeanne, famous for her long blonde locks, is the Vice-president of both the Girls' Clubs and Vox Nutana this year. At school, her activities include Drama and Pauline. Outside, she is active in the YMCA, Hi-Y, and Candy Strippers. In the future, Jeanne plans to be a nursing instructor.

HELEN BANADYGA

Helen has been one of those fortunates — she's been in "F" school four years! Athletically, she has supported our interform teams and was our athletic rep. on the now-extinct Athletic Council. Her extra-curricular activities have been in Drama, the Tri-Hi-Y, and C-Hi-Y. Next year, Helen plans to be a Stewardess.

MARION BILLINGS

Our class has always revolved around Marion. As an honor student, she has won two Academic Crests and a writing scholarship to Qu'Appelle. Because she has been on almost every school team — basketball for four years, volleyball for three years, and track for four years — she has been made Hermes Sports Editor. Her ambition: Physical Education instructor, naturally! !

DOUG BOOMHOWER

Doug was our responsible room manager in Grade Ten and helped to keep the class on time. He managed to have his name engraved on the Honor Roll in Grade Ten. He has taken a great interest in interform basketball, track, and hockey. Doug is interested in "pop" music and is a member of the "Dimensions". He plans to enter Varsity.

SHEILA BROWN

Somehow Nutana has managed to tolerate Sheila for four years! During these years she has received Academic Crest and a Nine-A pin. Her activities include interform sports, Drama, and public speaking. After graduation, Sheila plans a career as a Doctor. She is the most beautiful, friendly girl, incidentally, is Hermes Rep. this year!

IAN BUCKWOLD

Ian has taken a leading part in the enjoyment of 4F-jokes and fun all the time! He was the life-blood of our interform basketball team and led us on to the school championship. Ian has played on the school curling team for two years. His main extra-curricular activity is Waskesiu. He plans to attend Varsity.

DOROTHY FARMER

Dorothy, "F" School's leader, plans to study Physiotherapy at University next year. At Nutana, her study has been rewarded with two Academic Crests, a Nine-A pin and a Language book award. BUT, she still has time to make the school basketball and volleyball and track teams! Her dramatic presentation as the Ghost of Hamlet still haunts 4F.

PAT HADDOW

Pat, who plans to become a nurse, is 4F's contribution to the world of medicine. As Sports Editor on N.C. Eye, she has always given our interform teams good write-ups. Aside from N.C. Eye, she is a member of the Drama Club and an officer in Hi-Y. I can see Pat in years to come as the next Ann Landers.

FRED HOSKINS

ROSS MCKENZIE

Ross was president of the Boys' Chruch in 1964-65. He played interform basketball and is interested in YMCA activities. He is planning a career with the YMCA.
