

**Greg Campbell** left us at mid-term. He hoped to sing and play his way into the hearts of teenagers everywhere with the help of his trusty guitar.

**Shun Wai Chan** worked in a restaurant during his senior year and enjoys fishing and football. He plans to enter Electrical Engineering after grade 12.

**Susanna Chui** went to Rosary Hill College in Hong Kong. She enjoys swimming, basketball and most other outdoor sports. Susanna's future is in Nursing.

**Vic Coburn** came back to Nutana this year to complete his credits. He was involved with sports while in Nutana and enjoys parties, dances and working with old folks.

**Toby Cullingworth** cashed in his chips early this year. While at Nutana he was involved in drama and VES NCI. Toby likes to work on cars and enjoys spending his unemployment at the Cav.

**Rick Degenstien** was a man about Nutana. "Coach Deg" was active in sports, wine, women and song. Future plans include a fast car and a course in Marine Biology.

**Sid Cederstrand** has had various part time jobs, including work at the Western Development Museum and the Star Phoenix. He completed grade 12 in the 1st semester and entered carpentry at Kelsey.

**Wanlock Cheng** enjoys badminton, swimming and car racing. He plans to enter university or technical school.

**Carol Clifford** was involved in the Grad Tea Committee and Hermes write-ups. She enjoys camping and liquid embroidery. Carol hopes to attend the Saskatoon Business College.

**Sheila Coleman**, Bence's houseleader, served on the powerful female grade 12 baseball club. She will be in Britain next year, followed by a Nursing career.

**Cheryl Davis** NCI's "Basketball Jones" was a stand out in her many athletic and social pursuits. Cameron's houseleader is noted for her excellent behavior in English classes.

**Anita Denie** worked part time during most of high school but found time to do her homework whenever she could. Anita tells us that she loved grade 12 English more than anything else in the world, she may even try it over again.

**Carrie Chan** attended Pool to Middle school in Hong Kong. She enjoys music and tennis and has plans to enter Computer Accounting after graduating from Nutana.

**Eric Chow** made a valiant attempt at the Canadian Award Exam in high school physics. He enjoys track, soccer, snooker and reading and plans to enter Pharmacy after grade 12.

**Kim Coates**, our senior watch, has contributed much to sports and the social life at Nutana. What would "greaser day" be without Kim's car?
